Circular regarding summer vacation

5th June 2021

Dear Parents,

With the summer temperature soaring high, children look forward to vacation time when they can relax, visit friends and family, travel to see places and basically chill out enjoying those little pleasures of life which get left behind during the busy school routine. The summer vacation begins from 8th of June and school will re-open on 8th of July 2021.

To ensure that the children have a constructive holiday, some Holiday Homework & Projects are given which will keep the child active and observant. These projects can easily be done by the children and you could assist only where required. These will indeed provide an enjoyable learning experience. The school office will remain open on all working days between 9.00 am to 11.00 am during the summer vacations.

Wish you and your family a happy time together during the vacation.

With Regards,

It has been observed that in-spite of reminding several times, some teaching/non-teaching staff are not getting vaccinated for Covid – 19. You are strictly warned that such staff who are coming to school and still not vaccinated shall not be allowed to enter in school until they are vaccinated.

Kindly take a serious note of this directive, that all such teachers coming in contact with other staff and students and are not vaccinated till date, are a threat to not only their own lives but to others too who come in contact with them. Therefore, they shall be debarred from entering the school and their absence will be counted as Leave Without Pay till they are vaccinated. Kindly take this seriously as this is being done in the interest of human life.
